## ABOUT RONSYS TECH

RONSYS Technologies is a small business certified by the SBA as an 8(a) and WOSB company.  We work with agencies to implement technology solutions, such as SAP software implementation, web/mobile application development, cyber security, AI/ML, big data, custom software development, and cloud computing. Our staffing solutions aim to attract and retain key talents to help you move your missions forward.  We're equipped to manage large and small requirements.

Whether it's people, hardware, or software, we make technology work for you to ensure a more adaptive and competitive environment. We're ready to be your technology partner.
